Larry Jensen

RJ South

The meeting was called to order at 7:30 pm in the high school cafeteria. Brad Cook presented the Past Booster Award to the family of Jim Taylor. The Present Booster Award was presented to Rick Sanders.

Secretary's Report – The November 4 meeting minutes were approved as presented.

Treasurer's Report – Doug Mix presented the November financials.

Building Committee – Doug Mix reported that he has contacted Pizzutti and is working with them on new plans and pricing options. It may be necessary to move all fields to the elementary/middle school site and maintain the existing fields for practice. He anticipates having new numbers by the January meeting.

Bingo Committee – Chris Kilger announced that there have been 2 bingos since the last meeting: November 7 (varsity football) and November 21 (cross country). The assigned groups had sufficient workers and will receive their \$500 donations. Directors were reminded of their responsibility to work both New Year's Eve bingo and the Saturday following.

Athletic Director's Report – Scott Williamson reported that individual sports raffles need to recognize the boosters as the organizer and not the individual sport. He also presented invoices for payment and reported on league standings. Fall sports awards will be presented at the January meeting.

Principal's Report – Ed Miller also acknowledged that the students and school had a very successful athletic season and reviewed winter sports. He also reviewed the status of the construction projects and discussed parking issues.

Superintendent's Report – Paul Mathews reported that all fields had been worked and treated.

Old Business – There was no old business discussed.

New Business – There was no new business discussed.

Adjournment – No further business being heard, there was a motion and a second to adjourn the meeting. Motion passed. Meeting adjourned at 8:20 pm.
